

## Back To School Supplies Needed for ACTC [Assistance Center of Towson Churches]

Although the school year just ended, Assistance Center of Towson Churches is planning their "Back to School Event!" ACTC needs your help so that they will have the School supplies needed to serve our community.

ACTC hopes to serve at least 75 families during their Back to School Event, and have supplies to give to pupil representatives who are serving in the schools that are in their "Food for Thought" program. Last year ACTC served 115 families and a total of 236 children, as well as sending extra supplies to inner-city schools and pupil representatives.

Grace Lutheran Church has started collecting school supplies for ACTC's "Back to School Event!". The list is below.
